Re: Rainbow Springs - Utilities L.C.
Notice of Application for Extension of Service Area
Date of Notice: December 16, 1997, mailed December 22, 1997

Dear Sir:

As a home owner in Rainbow Springs, Lot 37, Block 134, Section 5 which is located in Section 23, Township 16 South, Range 18 East, I strongly object to the Rainbow Springs Utilities, L.C. application for extension of its service area to provide water and sewer.

Please give this matter your attention.

Thank you.

The bulletin we received last week from Rainbow Springs Utilities L.C. re Florida Statutes and Public Service Commission Rule 25-30, etc., etc., is quite confusing to many of us.

As we are in Section 15, according to our tax records (and west of Hwy 41), it's virtually impossible to determine if this applies to us.

If it does, everyone I've discussed this with

100% against water & sewer being put on our

↓ for one, have just invested a sizeable amount

in a new septic system and well pump.

We moved to this side so we could have our own systems.

I would appreciate a reply from you clarifying our position in this confusing matter.

yours truly,

Since writing the reverse side I've had the opportunity to discuss this matter w/ several persons, living on the west side of Rte. 41 (The Woodlands). The opinion is unanimous. Class should be ashamed of themselves for "dreaming" up such a "SCAM".

Many of us are contacting our State Senators to nip this foolishness in the bud.
