RE: DOCKET NO. 970968-TP - Petition for exemption from Rules 25-4.113, 25-24.471, and 25-24.515, F.A.C., and for authorization to discontinue service without notice and to require advance payment for service from certain customers, and for such other relief as may be appropriate, by North American InTeleCom, Inc.

Issue 1: Should the Commission grant NAI's request for an exemption from Rules 25-4.113, 25-24.471(4)(c), and 25-24.515(17), Florida Administrative Code, to permit the company to block collect calls to consumers NAI believes to be a credit risk, and to require advance payments before providing a bill and completing additional calls?

Recommendation: No. Inmate facility administrators may already limit inmate access to certain numbers. NAI should address its needs through its contracts.
