RE: Objection to Application for Extension of Service Area

Director of the Division of Records and Reporting
Florida Public Service Commission

Tallahassee, Florida 32399-0870

To Whom It May Concern:

Please consider this letter as our written objection to the attached notice of application for extension of service area. We chose to buy property at this location because we could install a well and septic tank. We strongly object to anything that may require us to connect to central utilities.

Sincerely,

Dawn M. Bowne

Pursuant to the provisions of Section 367.045, Florida Statutes, and the provisions of Florida Public Service Commission Rule 25-30.030. Notice is hereby given by Rainbow Springs Utilities, L.C., 8625 SW 200th Circle, Dunnellon, Florida 34431-5325, of its Application to extend its service area to provide water and sewer service to the following described lands in Marion County, Florida:

AND

All of said Sections 14, 15, and 22:

AND

In said Section 23: the North 1/2; the West 5/8 of the Southwest 1/4; and that portion of the Northeast 1/4 of the Southeast 1/4 lying North and East of the right-of-way for Atlantic Coast Line Railroad;

AND

In said Section 24: the North 1/2; the North 1/2 of the Southwest 1/4; the North 1/2 of the Southeast 1/4 of the Southwest 1/4, and that portion of the North 3/4 of the Southeast 1/4 lying North and West of the right-of-way for Atlantic Coast Line Railroad;

Portions of the above area have previously been approved for the Utility. This Extension Application was necessitated as a result of a recent discovery that the service territory authorized for this Utility by the Public Service Commission approximately 16 years ago failed to include the great majority of Rainbow Springs development. The purpose of this Application is simply to correct that oversight and to include only those areas within the existing or proposed development within the Utility's designated service territory. There should be no impact on the customers whatsoever from this Application as it is simply to correct an oversight from many years ago in describing the Utility service territory. In fact, through service to a greater number of customers, the Utility hopes to keep utility costs to a minimum in the long run.

Written objections of the above noted extension must be filed with the Director of the Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0870, and a copy provided to F. Marshall Deterding, ROSE, SUNDSTROM & BENTLEY, LLP, 2548 Blairstone Pines Drive, Tallahassee, Florida 32301, no later than 30 days after the last date this notice was mailed or published whichever is later.
