Re: Rainbow Springs Wellies L.C.
Notice of Application for service extension
Date of notice: 12/10/97

As a property owner in the Woodlands area of
The Villages of Rainbow Springs with 1+ acre of
land, we request denial of the above application.
After spending \$3,500 for two wells, and \$1,500 for
a pepter system, we do not want or need the
above extension. Our water is fine and we do not
want chlorinated water. Our power system is
adequate and works fine.

ACK This extension with up front fees, water and
A5A power monthly bills will cause a hardship to
APP us and our neighbors who are living on fixed
CAF incomes.
CMU
CTR

EAG We wish to be apprised of any and all actions,
LEG delays, or, hopefully, denial of this extension
LIN which we feel is totally unnecessary.
