Ref: Rainbow Springs Utilities L.C.
Notice of Application for Extension of Service Area
Date of Notice: December 16, 1997

Dear Sir;

As a home owner in the Woodlands section of the Village of Rainbow Springs, Marion County (which includes Section 15) and having been issued a Certificate of Occupancy in April 1997 to occupy our home on 1.02 acres of land which contains a Marion County certified water well and septic system, we request DENIAL of Rainbow Springs Utilities L.C. Application for Extension of Service Area on the grounds that there is no need for a utility owned water and sewer systems, that all home owners have a substantial investment in their own water and septic systems, that most home owners are retired and living on fixed incomes and the cost of installing and maintaining another water and sewer system would be financial hardship on almost everyone including ourselves.

We also request that we be informed of any action taken by the Florida Public Service Commission pertaining to Rainbow Springs Utilities L.C. Application for extension of Service Area.
Thank you. 1/12/98

Sincerely,
Kenneth L. Perry
