Issue 1: Should Time Warner's Petition for Reconsideration of Order No. PSC-98-0008-PCO-TP be granted?

Recommendation: No. Time Warner has failed to identify any point of fact or law that the prehearing officer overlooked or failed to consider in rendering Order No. PSC-98-0008-PCO-TP. Furthermore, the prehearing officer's order fully comports with the Act's requirements for participation in an arbitration proceeding and is consistent with prior Commission orders regarding participation in arbitration proceedings. Time Warner's Petition for Reconsideration should, therefore, be denied.
