RE: Docket No. ~~120.57(2)~~ - Petition of Sprint Communications Company Limited Partnership for Approval of Section 252(i) Election of Interconnection Agreement with GTE Florida Concerning Interconnection Rates, Terms and Conditions, Pursuant to the Federal Telecommunications Act of 1996

We are scheduled to file a recommendation in this docket tomorrow. It is a post-hearing (120.57(2)) recommendation. Although it has been drafted, upon reflection by staff, we have decided that it would be best to include a primary and an alternative recommendation. We will, therefore, probably need additional time in order to get this completed and circulated for signatures. We request an extension to file this recommendation on Friday, by 4:00 p.m. I believe that we will be able to get Carol the issues and recommendation statements on time tomorrow.
