Docket No. ~~980001-EI~~

Submitted for filing:
January 28, 1998

**FLORIDA POWER CORPORATION'S
REQUEST FOR ORAL ARGUMENT**

Florida Power Corporation ("Florida Power"), pursuant to Rule 25-22.058, F.A.C., hereby requests oral argument on its contemporaneously filed Motion for Reconsideration of Order No. PSC-98-0073-FOF-EI, and in support of its request, states as follows:

Oral argument would be beneficial in aiding the Commission's comprehension and evaluation of the issues raised in Florida Power's Motion for Reconsideration. Oral argument will allow Florida Power to explain to the Commission how its Order has overlooked or misapprehended certain complexities and inter-jurisdictional complications inherent in the separation of transmission revenues that are now associated with economy energy sales as a result of FERC Order 888. Oral argument will also afford the Commissioners the opportunity to make inquiries and ask follow-up questions on issues or concerns that may not have been fully addressed to their satisfaction in the pleadings.

WHEREFORE, Florida Power Corporation respectfully requests that it be granted oral argument on its Motion for Reconsideration of Order No. PSC-98-0073-FOF-EI.

Respectfully submitted,
