RE: Deferral of Item 8 on February 3, 1998 Agenda

Attached is a request from MCI to defer Item 8 from the February 3, 1998, agenda conference. Staff supports the deferral request and has a tentative meeting scheduled with MCI on February 4, 1998, to discuss the basis for our recommendation and to review some of the complaints from consumers.

Staff will revise the CASR for the March 10, 1998, agenda conference.
