Sorry I missed your call. Jeffery Sarrow says he is attorney-of-record for Combined Companies in dkt. 961478. The only place I have found his name is a letter of his to you attached to the recommendation. Please call him and also let me know what is going on. Thanks. 954-475-3188 is his #.

.....  
Is there a problem? Yes, he should be listed as the attorney of record. The only thing left to do for this docket should be to send him a copy of the order approving the settlement agreement.

.....  
Nothing was ever filed in his name in this case. If you tell me he should have been listed, I will use the e-mail to place him there and send him a copy of the order.

.....  
Yes. He is the attorney and should get a copy of the order. I think what happened is the president of the company (CCI) sent a letter early on saying that all future correspondence should go through his attorney, Jeff Sarrow. However, he may have only sent the letter to me, and not filed it. Mr. Sarrow is the attorney, though. Let me know if you need his phone number.
