RE: Docket No. 961321-WS - Application for certificates to provide water and wastewater service in Clay County by Point Water and Sewer, Inc.

Dear Mr. Reynolds:

This is in response to your letter dated January 30, 1998, for an extension through March 31, 1998, for Point Water and Sewer, Inc., to respond to the Commission staff's first set of interrogatories and first request for production of documents propounded on August 28, 1997.

In light of the status of the ongoing settlement negotiations, we are willing to accommodate this request. If the matter does not settle, we will expect to have your discovery responses by April 1, 1998.

Sincerely,

Rosanne Gervasi
