RE: DOCKET NO. 961014-WS - Application for certificates under grandfather rights to provide water and wastewater service by Crystal River Utilities, Inc. in Polk County.

Issue 1: Should the Commission rescind Order No. PSC-97-1048-FOF-WS and issue a new order to include a clarification of the required notice?
Recommendation: Yes. Order No. PSC-97-1048-FOF-WS should be rescinded. However, the Commission should issue a new order to incorporate the clarifications discussed in the analysis portion of staff's memorandum dated February 5, 1998. That portion granting grandfather certificates, requiring proof of land ownership, and requiring noticing should be issued as proposed agency action. That portion of the order declining to show cause and setting rates should be issued as final action.
