Tallahassee, Florida 32399-0870

Dear Sirs:

The notice we recently received from Rainbow Springs Utilities L. C. of their application to extend their service area to provide water and sewer service to our area is very disturbing.

We have been here for almost 17 years and are quite happy with our present service of water and septic tank.

We do not want to have to hook up with any company that will provide water and sewer service.

James E Moore,

*James E Moore*

Mary Edith Moore.
