mailed 22 Dec 97, Received 24 Dec 97.

Letter of OBJECTIONS

To: Director of the Division of Records and Reporting
Florida Public Service Commission,
2540 Shumard Oak Boulevard,
Tallahassee,
Florida , 32399-0870.

Dear Sirs,

1. I have received the Notice as in Reference above and OBJECT to Rainbow Springs Utilities, L.C. being given authority to extend their services into any further areas as requested, in their notice.

2. We in these areas, as I have spoken to many residents and all agree that this utility does not give Reasonable service or at a reasonable rate. Because of the recent growth in the area, they have decided to cash in on a service that is not required or wanted. This service would force residents into using it whether required or not.

3. This company also took a time of year that would make it slow for persons to respond to this notification, due to to personal travel and away on holidays.

4. I once again say I object to Rainbow Springs Utilities L.C. being given any authority to extend their service into any further area of this community.

5. For your consideration and recording.
