Please change the docket title to read:

Request for cancellation of pay telephone certificate No. 3785 by D & S Communications, Inc. and application for certificate to provide pay telephone service by Payphone Connection Inc., Certificate No. 5607.

I received a fax requesting cancellation of the D & S certificate but he's mailing an original request. Let me know if there is a problem.

Also, in the docket title 980257 TC please add "effective January 14, 1998." (It's a request for cancellation.) Thanks!

Go ahead and make the change based on this e-mail. If for some reason we don't receive the cancellation request, we will know to go back to Brenda to get it.
