NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO
PROVIDE ALTERNATIVE LOCAL EXCHANGE
TELECOMMUNICATIONS SERVICES

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed in this Order is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Kenarl Inc. has applied for a certificate to provide alternative local exchange telecommunications service, pursuant to Section 364.337, Florida Statutes. Upon review of its application, it appears that Kenarl Inc. has sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to Kenarl, Inc. Certificate No. 5337 which shall authorize it to provide alternative local exchange telecommunications services throughout the State of Florida, except for the territories of earnings-regulated small local exchange companies, as set forth in Section 364.337(1), Florida Statutes.

DOCKET NO. 971575-TX
PAGE 2

If this Order becomes final and effective, it shall serve as Kenarl Inc.'s certificate. It should, therefore, be retained by Kenarl Inc. as proof of certification.

Alternative local exchange telecommunications providers (ALECs) are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALECs are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an incumbent local exchange company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant to Kenarl Inc. alternative local exchange telecommunications service Certificate No. 5337 subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as Kenarl Inc.'s certificate and should be retained by Kenarl Inc. as proof of certification. It is further

ORDERED that each alternative local exchange company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division

of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.

By ORDER of the Florida Public Service Commission, this 27th day of February, 1998.
