SIRS:

As a follow up to a telephone conversation with Stephanie Clatt of the above office, we wish to clarify our statements.

We receive Water and Waste-Water services from Manatee County Public Works Department.

This service is provided to and only to our resident-owner members. The cost is treated as a non specific cost item within our monthly maintenance fee of \$81.00 per month, per resident-owner. The \$81.00 per month was budgeted for 1998 from 1997 actuals. And utilities is a major part of the \$81.00.

I trust this clarifies our claim for exempt status.
