Docket No. 971604-TI
Filed: March 9, 1998

**CORRECTED EXHIBITS OF
GTE CORPORATION AND GTE COMMUNICATIONS CORPORATION**

On February 12, 1998, GTE Corporation and GTE Communications Corporation (collectively, GTE) filed their Petition on Proposed Agency Action and Request for Section 120.57 Hearing (Petition) in the above matter. The Petition included the Affidavit of Robert G. Harris. After the filing was made, GTE discovered a few transpositions and minor errors in some of the population coverage figures in certain exhibits accompanying Dr. Harris' Affidavit.

In the interest of providing the Commission the most accurate information possible, the corrected exhibits are attached. (The affected exhibits and figures are: Harris Exhibit 2, "Population Covered" for Frontier, IXC, and Cable & Wireless; Harris Exhibit 7, IXC Comm. "LATAs w/ POPs" and "LATAs w/o POPs"; Harris Exhibits 8, 10A, 11A, and 11B, "% Population Served," "LATA with POP" and "LATA without POP" categories.) Please replace the previously submitted exhibits with the corrected ones.
