I called the L050 to inquire as to what is "5FWE9", I was told that it was an obsolete USOC code and BellSouth would have to remove it before it could be converted. Alfredo

told me she would remove the obsolete USOC Code. I waited 2 days for the completion notice. After no completion notice, I called the Lase again to inquire why the continued delay and was told that the USOC code "SFWE9" is for the BellSouth internet access product BellSouth.Net. Furthermore, SFWE9 is not a product that can be converted to Supra, therefore Supra cannot have this account.

This order was never processed by BellSouth. We lost the ^{Account} ~~Customer~~ even though the Customer wants to be a Supra Customer.
