CC: Kelly Biegalski, Linda Williams

Docket when opened included 4.043.
Recommendation does not. Should rule
ref. be dropped from docket title? Kay

Fwd-by:=-Rick=Moses====3/27/98=11:15am==
Fwd to: Kay Flynn

Yes. Seems like we really messed up
this filing.

Fwd-by:=-Kay=Flynn=====3/27/98=11:19am==

Staff just needs to remember to revise
the docket title when necessary (since
I can't guarantee we'll always catch
the discrepancies). We'll correct the
title in CMS. Thanks. (Linda?)
