Re: Staff Assisted Rate Case for Bayside Utilities in Bay County, Docket No. 971401-WS

Dear Mr. Jeter:

We have determined eligibility for staff assistance filed by Bayside Utilities, Inc. We find that the utility is now eligible for the staff assisted rate case filing.

Since your request for staff assistance has been accepted, the utility should pay a \$ 2,000 filing fee as provided by Chapter 367.141 of the Florida Statutes. The filing fee is based on the capacity of each of the utility systems and is due by February 9, 1998, which will be the official filing date for this rate case. Delay in payment of the filing fee may result in a delay in the processing of your case.

Members of Commission Staff will contact you to schedule a convenient time for examination of the utility's books and records and physical plant. If you have any questions regarding the rate proceeding, please call Bob Casey at (850) 413-6974.

Sincerely,
