Re: Approval of the Resale Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Cincinnati Bell Long Distance pursuant to Sections 251 and 252 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Cincinnati Bell Long Distance are submitting to the Florida Public Service Commission their negotiated agreement for the purchase of BellSouth's telecommunications services for the purpose of resale to end users by Cincinnati Bell Long Distance.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and Cincinnati Bell Long Distance within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore, are very hopeful that the Commission shall approve their agreement.

Very truly yours,

A. M. Lombardo
Regulatory Vice President

**Agreement Between BellSouth Telecommunications, Inc. and Cincinnati Bell Long Distance
Regarding The Sale of BellSouth Telecommunications Services to Cincinnati Bell Long Distance
For The Purposes of Resale**

THIS AGREEMENT is by and between BellSouth Telecommunications, Inc., ("BellSouth" or "Company"), a Georgia corporation, and Cincinnati Bell Long Distance ("CBLD"), an Ohio corporation, and shall be deemed effective as of March 20, 1998.

WITNESSETH

WHEREAS, BellSouth is a local exchange telecommunications company authorized to provide telecommunications services in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and

WHEREAS, CBLD is or seeks to become an alternative local exchange telecommunications company authorized to provide telecommunications services in the state Kentucky; and

WHEREAS, CBLD desires to resell BellSouth's telecommunications services; and

WHEREAS, BellSouth has agreed to provide such services to CBLD for resale purposes and pursuant to the terms and conditions set forth herein;

NOW, THEREFORE, for and in consideration of the mutual premises and promises contained herein, BellSouth and CBLD do hereby agree as follows:

I. Term of the Agreement

- A. The term of this Agreement shall be two years beginning March 20, 1998 and shall apply to all of BellSouth's serving territory as of January 1, 1998 in the state of Kentucky; and
- B. This Agreement shall be automatically renewed for two additional one year periods unless either party indicates its intent not to renew the Agreement. Notice of such intent must be provided, in writing, to the other party no later than 60 days prior to the end of the then-existing contract period. The terms of this Agreement shall remain in effect after the term of the existing agreement has expired and while a new agreement is being negotiated.

The rates pursuant by which CBLD is to purchase services from BellSouth for resale shall be at a discount rate off of the retail rate for the telecommunications service. The discount rates shall be as set forth in Exhibit A, attached hereto and incorporated herein by this reference. Such discount shall reflect the costs avoided by BellSouth when selling a service for wholesale purposes.

II. Definition of Terms

III. General Provisions

- A. CBLD may resell the tariffed local exchange and toll telecommunications services of BellSouth contained in the General Subscriber Service Tariff and Private Line Service Tariff subject to the terms, and conditions specifically set forth herein. Notwithstanding the foregoing, the exclusions and limitations on services available for resale will be as set forth in Exhibit B, attached hereto and incorporated herein by this reference.

BellSouth shall make available telecommunications services for resale at the rates set forth in Exhibit A to this agreement and subject to the exclusions and limitations set forth in Exhibit B to this agreement. It does not however waive its rights to appeal or otherwise challenge any decision regarding resale that resulted in the discount rates contained in Exhibit A or the exclusions and limitations contained in Exhibit B. BellSouth reserves the right to pursue any and all legal and/or equitable remedies, including appeals of any decisions. If such appeals or challenges result in changes in the discount rates or exclusions and limitations, the parties agree that appropriate modifications to this Agreement will be made promptly to make its terms consistent with the outcome of the appeal.

- B. CBLD may purchase resale services from BellSouth for their own use in operating their business. The resale discount will apply to those services under the following conditions:

- E. CBLD will be the Company's single point of contact for all services purchased pursuant to this Agreement. The Company shall have no contact with the end user except to the extent provided for herein.
- F. The Company will continue to bill the end user for any services that the end user specifies it wishes to receive directly from the Company.

- H. Neither Party shall interfere with the right of any person or entity to obtain service directly from the other Party.
- I. Current telephone numbers may normally be retained by the end user. However, telephone numbers are the property of the Company and are assigned to the service furnished. CBLD has no property right to the telephone number or any other call number designation associated with services furnished by the Company, and no right to the continuance of service through any particular central office. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, whenever the Company deems it necessary to do so in the conduct of its business.

- O. The Company will cooperate fully with law enforcement agencies with subpoenas and court orders for assistance with the Company's customers. Law enforcement agency subpoenas and court orders regarding end users of CBLD will be directed to CBLD. The Company will bill CBLD for implementing any requests by law enforcement agencies regarding CBLD end users.
- P. The characteristics and methods of operation of any circuits, facilities or equipment provided by any person or entity other than the Company shall not:
 - 1. Interfere with or impair service over any facilities of the Company, its affiliates, or its connecting and concurring carriers involved in its service;
 - 2. Cause damage to their plant;

3. Impair the privacy of any communications; or
 4. Create hazards to any employees or the public.
- Q. CBLD assumes the responsibility of notifying the Company regarding less than standard operations with respect to services provided by CBLD.
- R. Facilities and/or equipment utilized by BellSouth to provide service to CBLD remain the property of BellSouth.
- S. White page directory listings will be provided in accordance with regulations set forth in Section A6 of the General Subscriber Service Tariff and will be available for resale.
- T. BellSouth will provide customer record information to CBLD provided CBLD has the appropriate Letter(s) of Authorization. BellSouth may provide customer record information via one of the following methods: US mail, fax, or by electronic interface. BellSouth will provide customer record information via US mail or fax on an interim basis only.
1. CBLD agrees to compensate BellSouth for all BellSouth incurred expenditures associated with providing such information to CBLD. CBLD will adopt and adhere to the BellSouth guidelines associated with each method of providing customer record information.

- W. All costs incurred by BellSouth for providing services to CBLD that are not covered in the BellSouth tariffs shall be recovered from the CBLD who utilizes those services.

IV. BellSouth's Provision of Services to CBLD

- A. CBLD agrees that its resale of BellSouth services shall be as follows:
1. The resale of telecommunications services shall be limited to users and uses conforming to the class of service restrictions.
 2. To the extent CBLD is a telecommunications carrier that serves greater than 5 percent of the Nation's presubscribed access lines, CBLD shall not jointly market its interLATA services with the telecommunications services purchased from BellSouth pursuant to this Agreement in any of the states covered under this Agreement. For the purposes of this subsection, to jointly market means any advertisement, marketing effort or billing in which the telecommunications services purchased from BellSouth for purposes of resale to customers and interLATA services offered by CBLD are packaged, tied, bundled, discounted or offered together in any way to the end user. Such efforts include, but are not limited to, sales referrals, resale arrangements, sales agencies or billing agreements. This subsection shall be void and of no effect for a particular state covered under this Agreement as of February 8, 1999 or on the date BellSouth is authorized to offer interLATA services in that state, whichever is earlier.

3. Hotel and Hospital PBX service are the only telecommunications services available for resale to Hotel/Motel and Hospital end users, respectively. Similarly, Access Line Service for Customer Provided Coin Telephones is the only local service available for resale to Independent Payphone Provider (IPP) customers. Shared Tenant Service customers can only be sold those telecommunications services available in the Company's A23 Shared Tenant Service Tariff.
 4. CBLD is prohibited from furnishing both flat and measured rate service on the same business premises to the same subscribers (end users) as stated in A2 of the Company's Tariff except for backup service as indicated in the applicable state tariff Section A3.
 5. If telephone service is established and it is subsequently determined that the class of service restriction has been violated, CBLD will be notified and billing for that service will be immediately changed to the appropriate class of service. Service charges for changes between class of service, back billing, and interest as described in this subsection shall apply at the Company's sole discretion. Interest at a rate as set forth in Section A2 of the General Subscriber Service Tariff and Section B2 of the Private Line Service Tariff for the applicable state, compounded daily for the number of days from the back billing date to and including the date that CBLD actually makes the payment to the Company may be assessed.
 6. The Company reserves the right to periodically audit services purchased by CBLD to establish authenticity of use. Such audit shall not occur more than once in a calendar year. CBLD shall make any and all records and data available to the Company or the Company's auditors on a reasonable basis. The Company shall bear the cost of said audit.
- B. Resold services can only be used in the same manner as specified in the Company's Tariff. Resold services are subject to the same terms and conditions as are specified for such services when furnished to an individual end user of the Company in the appropriate section of the Company's Tariffs. Specific tariff features, e.g. a usage allowance per month, shall not be aggregated across multiple resold services. Resold services cannot be used to aggregate traffic from more than one end user customer except as specified in Section A23. of the Company's Tariff referring to Shared Tenant Service.
- C. CBLD may resell services only within the specific resale service area as defined in its certificate.
- D. Telephone numbers transmitted via any resold service feature are intended solely for the use of the end user of the feature. Resale of this information is prohibited.
- E. No patent, copyright, trademark or other proprietary right is licensed, granted or otherwise transferred by this Agreement. CBLD is strictly prohibited from any use, including but not limited to sales, marketing or advertising, of any BellSouth name or trademark.

V. Maintenance of Services

- A. CBLD will adopt and adhere to the standards contained in the applicable BellSouth Work Center Interface Agreement regarding maintenance and installation of service.
- B. Services resold under the Company's Tariffs and facilities and equipment provided by the Company shall be maintained by the Company.
- C. CBLD or its end users may not rearrange, move, disconnect, remove or attempt to repair any facilities owned by the Company, other than by connection or disconnection to any interface means used, except with the written consent of the Company.

- D. CBLD accepts responsibility to notify the Company of situations that arise that may result in a service problem.
- E. CBLD will be the Company's single point of contact for all repair calls on behalf of CBLD's end users. The parties agree to provide one another with toll-free contact numbers for such purposes.
- F. CBLD will contact the appropriate repair centers in accordance with procedures established by the Company.
- G. For all repair requests, CBLD accepts responsibility for adhering to the Company's prescreening guidelines prior to referring the trouble to the Company.
- H. The Company will bill CBLD for handling troubles that are found not to be in the Company's network pursuant to its standard time and material charges. The standard time and material charges will be no more than what BellSouth charges to its retail customers for the same services.
- I. The Company reserves the right to contact CBLD's customers, if deemed necessary, for maintenance purposes.

VI. Establishment of Service

- A. After receiving certification as a local exchange company from the appropriate regulatory agency, CBLD will provide the appropriate Company service center the necessary documentation to enable the Company to establish a master account for CBLD. Such documentation shall include the Application for Master Account, proof of authority to provide telecommunications services, an Operating Company Number ("OCN") assigned by the National Exchange Carriers Association ("NECA") and a tax exemption certificate, if applicable. When necessary deposit requirements are met, the Company will begin taking orders for the resale of service.
- B. Service orders will be in a standard format designated by the Company.
- C. When notification is received from CBLD that a current customer of the Company will subscribe to CBLD's service, standard service order intervals for the appropriate class of service will apply.
- D. The Company will not require end user confirmation prior to establishing service for CBLD's end user customer. CBLD must, however, be able to demonstrate end user authorization upon request.
- E. CBLD will be the single point of contact with the Company for all subsequent ordering activity resulting in additions or changes to resold services except that the Company will accept a request directly from the end user for conversion of the end user's service from CBLD to the Company or will accept a request from another OLEC for conversion of the end user's service from CBLD to the other LEC. The Company will notify CBLD that such a request has been processed.
- F. If the Company determines that an unauthorized change in local service to CBLD has occurred, the Company will reestablish service with the appropriate local service provider and will assess CBLD as the OLEC initiating the unauthorized change, the unauthorized change charge described in F.C.C. Tariff No. 1, Section 13. Appropriate nonrecurring charges, as set forth in Section A4. of the General Subscriber Service Tariff, will also be assessed to CBLD. These charges can be adjusted if CBLD provides satisfactory proof of authorization.
- G. In order to safeguard its interest, the Company reserves the right to secure the account with a suitable form of security deposit, unless satisfactory credit has already been established.

1. Such security deposit shall take the form of an irrevocable Letter of Credit or other forms of security acceptable to the Company. Any such security deposit may be held during the continuance of the service as security for the payment of any and all amounts accruing for the service.
2. If a security deposit is required, such security deposit shall be made prior to the inauguration of service.
3. Such security deposit may not exceed two months' estimated billing.
4. The fact that a security deposit has been made in no way relieves CBLD from complying with the Company's regulations as to advance payments and the prompt payment of bills on presentation nor does it constitute a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of any sums due the Company.
5. The Company reserves the right to increase the security deposit requirements when, in its sole judgment, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the security deposit.
6. In the event that CBLD defaults on its account, service to CBLD will be terminated and any security deposits held will be applied to its account.
7. In the case of a cash deposit, interest at a rate as set forth in the appropriate BellSouth tariff shall be paid to CBLD during the continuance of the security deposit. Interest on a security deposit shall accrue annually and, if requested, shall be annually credited to CBLD by the accrual date.

VII. Payment And Billing Arrangements

- A. When the initial service is ordered by CBLD, the Company will establish an accounts receivable master account for CBLD.
- B. The Company shall bill CBLD on a current basis all applicable charges and credits.
- C. Payment of all charges will be the responsibility of CBLD. CBLD shall make payment to the Company for all services billed. The Company is not responsible for payments not received by CBLD from CBLD's customer. The Company will not become involved in billing disputes that may arise between CBLD and its customer. Payments made to the Company as payment on account will be credited to an accounts receivable master account and not to an end user's account.
- D. The Company will render bills each month on established bill days for each of CBLD's accounts.
- E. The Company will bill CBLD, in advance, charges for all services to be provided during the ensuing billing period except charges associated with service usage, which charges will be billed in arrears. Charges will be calculated on an individual end user account level, including, if applicable, any charges for usage or usage allowances. BellSouth will also bill all charges, including but not limited to 911 and E911 charges, telecommunications relay charges, and franchise fees, to CBLD.
- F. The payment will be due by the next bill date (i.e., same date in the following month as the bill date) and is payable in immediately available funds. Payment is considered to have been made when received by the Company.
 1. If the payment due date falls on a Sunday or on a Holiday which is observed on a Monday, the payment due date shall be the first non-Holiday day following such Sunday or Holiday. If the

payment due date falls on a Saturday or on a Holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-Holiday day preceding such Saturday or Holiday. If payment is not received by the payment due date, a late payment penalty, as set forth in I. following, shall apply.

- G. Upon proof of tax exempt certification from CBLD, the total amount billed to CBLD will not include any taxes due from the end user. CBLD will be solely responsible for the computation, tracking, reporting and payment of all federal, state and/or local jurisdiction taxes associated with the services resold to the end user.
- H. As the customer of record, CBLD will be responsible for, and remit to the Company, all charges applicable to its resold services for emergency services (E911 and 911) and Telecommunications Relay Service (TRS) as well as any other charges of a similar nature.
- I. If any portion of the payment is received by the Company after the payment due date as set forth preceding, or if any portion of the payment is received by the Company in funds that are not immediately available to the Company, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the payment due date times a late factor. The late factor shall be as set forth in Section A2 of the General Subscriber Service Tariff and Section B2 of the Private Line Service Tariff.
- J. Any switched access charges associated with interexchange carrier access to the resold local exchange lines will be billed by, and due to, the Company. No additional charges are to be assessed to CBLD.
- K. The Company will not perform billing and collection services for CBLD as a result of the execution of this Agreement. Requests by the CBLD for assistance with billing services should be referred to the appropriate entity or operational group within the Company.
- L. Pursuant to 47 CFR Section 51.617, the Company will bill CBLD end user common line charges identical to the end user common line charges the Company bills its end users.
- M. In general, the Company will not become involved in disputes between CBLD and CBLD's end user customers over resold services. If a dispute does arise that cannot be settled without the involvement of the Company, CBLD shall contact the designated Service Center for resolution. The Company will make every effort to assist in the resolution of the dispute and will work with CBLD to resolve the matter in as timely a manner as possible. CBLD may be required to submit documentation to substantiate the claim.

VIII. Discontinuance of Service

- A. The procedures for discontinuing service to an end user are as follows:
 - 1. Where possible, the Company will deny service to CBLD's end user on behalf of, and at the request of, CBLD. Upon restoration of the end user's service, restoral charges will apply and will be the responsibility of CBLD.
 - 2. At the request of CBLD, the Company will disconnect a CBLD end user customer.
 - 3. All requests by CBLD for denial or disconnection of an end user for nonpayment must be in writing.
 - 4. CBLD will be made solely responsible for notifying the end user of the proposed disconnection of the service.

5. The Company will continue to process calls made to the Annoyance Call Center and will advise CBLD when it is determined that annoyance calls are originated from one of their end user's locations. The Company shall be indemnified, defended and held harmless by CBLD and/or the end user against any claim, loss or damage arising from providing this information to CBLD. It is the responsibility of CBLD to take the corrective action necessary with its customers who make annoying calls. Failure to do so will result in the Company's disconnecting the end user's service.

B. The procedures for discontinuing service to CBLD are as follows:

1. The Company reserves the right to suspend or terminate service for nonpayment or in the event of prohibited, unlawful or improper use of the facilities or service, abuse of the facilities, or any other violation or noncompliance by CBLD of the rules and regulations of the Company's Tariffs.
2. If payment of account is not received by the bill day in the month after the original bill day, BellSouth may provide written notice to CBLD that additional applications for service will be refused and that any pending orders for service will not be completed if payment is not received by the fifteenth day following the date of the notice. In addition BellSouth may, at the same time, give thirty days notice to the person designated by CBLD to receive notices of noncompliance, discontinue the provision of existing services to CBLD at any time thereafter.
3. In the case of such discontinuance, all billed charges, as well as applicable termination charges, shall become due.
4. If BellSouth does not discontinue the provision of the services involved on the date specified in the thirty days notice and CBLD's noncompliance continues, nothing contained herein shall preclude BellSouth's right to discontinue the provision of the services to CBLD without further notice.
5. If payment is not received or arrangements made for payment by the date given in the written notification, CBLD's services will be discontinued. Upon discontinuance of service on a CBLD's account, service to CBLD's end users will be denied. The Company will also reestablish service at the request of the end user or CBLD's upon payment of the appropriate connection fee and subject to the Company's normal application procedures. CBLD's is solely responsible for notifying the end user of the proposed disconnection of the service.
6. If within fifteen days after an end user's service has been denied no contact has been made in reference to restoring service, the end user's service will be disconnected.

IX. Liability

- A. The liability of the Company for damages arising out of mistakes, omissions, interruptions, preemptions, delays errors or defects in transmission, or failures or defects in facilities furnished by the Company, occurring in the course of furnishing service or other facilities and not caused by the negligence of CBLD, or of the Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision shall in no event exceed an amount equivalent to the proportionate charge to CBLD for the period of service during which such mistake, omission, interruption, preemption, delay, error or defect in transmission or defect or failure in facilities occur. The Company shall not be liable for damage arising out of mistakes, omission, interruptions, preemptions, delays, errors or defects in transmission or other injury, including but not limited to injuries to persons or property from voltages or currents transmitted over the service of the Company, (1) caused by customer-provided equipment (except where a contributing cause is the malfunctioning of a Company-provided connecting arrangement, in which event the liability of the Company shall not exceed an amount equal to a proportional amount of the Company billing for the period of service during which such mistake, omission, interruption, preemption, delay, error, defect in transmission or injury occurs), or (2) not

prevented by customer-provided equipment but which would have been prevented had Company-provided equipment been used.

- B. Each party shall be indemnified and saved harmless by the other party against any and all claims, actions, causes of action, damages, liabilities, or demands (including the costs, expenses and reasonable attorneys' fees, on account thereof) of whatever kind or nature that may be made by any third party as a result of such other party's breach, willful or negligent acts or omissions, mistakes, interruptions, preemptions, delays, or errors; provided, however, that a party's obligation to indemnify and save harmless the other party ("Indemnified Party") shall not extend to that portion of the claim, action, cause of action, liability or demand that is caused by the Indemnified Party's negligence
- C. The Company shall be indemnified, defended and held harmless by CBLD and/or the end user against any claim, loss or damage arising from the use of services offered for resale involving:
 - 1. Claims for libel, slander, invasion of privacy or infringement of copyright arising from CBLD's or end user's own communications.
 - 2. Claims for patent infringement arising from acts combining or using Company services in connection with facilities or equipment furnished by the end user or CBLD.
 - 3. All other claims arising out of an act or omission of CBLD or its end user in the course of using services.
- D. CBLD accepts responsibility for providing access for maintenance purposes of any service resold under the provisions of this Tariff. The Company shall not be responsible for any failure on the part of CBLD with respect to any end user of CBLD.

Applicable Notes:

- Grandfathered services can be resold only to existing subscribers of the grandfathered service.
- Where available for resale, promotions will be made available only to end users who would have qualified for the promotion had it been provided by BellSouth directly.
- In Tennessee, long-term promotions (offered for more than ninety (90) days) may be obtained at one of the following rates:
 - the stated tariff rate, less the wholesale discount;
 - the promotional rate (the promotional rate offered by BellSouth will not be discounted further by the wholesale discount rate)
- Lifeline/Link Up services may be offered only to those subscribers who meet the criteria that BellSouth currently applies to subscribers of these services. In Tennessee, CBLD shall purchase BellSouth's Message Rate Service at the stated tariff rate, less the wholesale discount. CBLD must further discount the wholesale Message Rate Service to LifeLine customers with a discount which is no less than the minimum discount that BellSouth now provides. CBLD is responsible for recovering the Subscriber Line Charge from the National Exchange Carriers Association interstate toll settlement pool just as BellSouth does today. The maximum rate that CBLD may charge for LifeLine Service shall be capped at the flat retail rate offered by BellSouth.
- In Louisiana and Mississippi, all Contract Service Arrangements entered into by BellSouth or terminating after the effective date of the Commission Order (1/28/97 for LA and 3/10/97 for MS) will be subject to resale without the wholesale discount. All CSAs which are in place as of the effective date of the Commission order (1/28/97 for LA and 3/10/97 for MS) will not be eligible for resale.
