Dear Sirs,

As a resident of Zellwood Station and Country Club I am writing to you in regard to a letter of intent I have received from Zellwood Station Co-op Inc.

I am writing to voice my objection to the Florida Public Service Commission granting an original certificate for an existing system requesting initial rates and charges to Zellwood Station Co-op Inc.

The rates that have been quoted by the Zellwood Station Co-op Inc. seem to be an unfair increase over the amount now being paid.

I also question their ability at this time, with an unsettled lawsuit over unjust charges still in litigation to take on these new endeavor.
