**RE: DOCKET NO. 980001-EI**

Dear Ms. Paugh:

The requests for oral argument on reconsideration petitions by Florida Power & Light Company and Florida Power Corporation are scheduled to be considered at the April 7, 1998 Agenda. As scheduled, the Commission will first consider whether to grant oral argument and then if it grants that request, oral argument will be made.

FPL asks that the decision at the April 7, 1998 Agenda be whether to grant oral argument and that the argument if leave for such is granted be made at a later date.

FPL makes this request because it believes it would be more economical with everyone's time and costs. FPL understands that FPC, FIPUG and OPC do not object to this approach.

Very truly yours,
