RE: Docket No. 971667-WS - Application for approval of transfer of facilities of Florida Water Services Corporation to Orange County and cancellation of Certificates Nos. 084-W and 073-S in Orange County

On April 1, 1998, Florida Water Services Corporation (FWSC) filed a request to defer this item from its presently scheduled April 7, 1998 agenda date until the next available agenda. The next agenda date is April 28, 1998. FWSC asked for additional time to examine any documents that staff reviewed to support our position under Issue 2. That issue concerns opening an investigation to review gain on sale aspects for the Orange County facilities.

Staff believes that FWSC's request to defer this item one agenda is reasonable. We believe that deferring this item one agenda will allow FWSC sufficient time to examine the documents that support staff's recommendation.
