Please be advised that on March 31, 1998, Indiantown Telephone Systems, Inc. amended its Articles of Incorporation to change the name of the company.

The new name of the company is ITS Telecommunications Systems, Inc. A copy of the Articles of Amendment is enclosed.

There is no change of ownership involved with this name change. There is nothing else about this action that would cause a need for the filing of a transfer application pursuant to Section 364.33, Florida Statutes.

It will be necessary to change the name of the company on the tariff. In order to facilitate that change, I have included labels that can be affixed to each page of the tariff on file with the Commission. So that you do not have to
