RE: Docket No. 971610-WS, Application for transfer of utility assets from South Broward Utility, Inc. to City of Sunrise in Broward County, and cancellation of Certificates Nos. 359-W and 290-S.

South Broward Utility, Inc., (SBU) is currently the fictitious name for Clay Utility Company (Clay). When the utility was transferred from SBU, the corporation, to Clay in Docket No. 960695-WS, Clay requested the utility name remain as SBU. Clay then recorded SBU as its fictitious name with Florida's Department of State, Division of Corporations. Clay was intending to also change its corporate name to SBU, as well, but the matter became moot when the utility assets were purchased by the City of Sunrise. Since SBU is a fictitious name for Clay, staff requests that the docket title be changed to the following:

Application for transfer of utility assets from Clay Utility Company d/b/a South Broward Utility, Inc. to City of Sunrise in Broward County, and cancellation of Certificates Nos. 359-W and 290-S.
