Cleveland, we have identified the customers listed in your 4/14/98 memo as correspondents and removed their names and addresses from the parties' list in this docket. That leaves the following customers on the parties' list:

- Kenneth C. Sommerfield
- Marian R. Colvin
- Alfred E. Volpe
- Lillian A. Cleveland

Should they be marked as parties? Banbury Village Association, Inc. has been marked as a party already. Were we correct to mark them as a party?

I don't have the following documents:

- your letter to M/M Crusse
- Edward Hoffman's original obj letter
- Robert Graff's original obj letter

Can you send a copy of your letter to the Crusses to me for the file? Also, did you by chance receive Mr. Hoffman's and Mr. Graff's original letters? I do have their later correspondence, but not the initial letters. Thanks for your help. Kay Flynn

I cannot locate correspondence from Alfred E. Volpe. Can you interoffice a copy of the letter to me? I'll send the Crusse letters today. Thank you.
