Re: In Re: Application of Florida Cities Water Company, Lee County Division,
Docket No. 950387-SU

Dear Ms. Bayó:

The Citizens of the State of Florida, intervenors in the above-referenced docket, note the recent "Notice of Filing Transcripts of Agenda Conference and Internal Affairs Meeting" ostensibly filed by Florida Cities Water Company on April 13, 1998.

The Citizens raise no objection to this filing, because it appears limited by its terms to a filing "in the above docket" as opposed to any attempt to include either of the two transcripts in the *record* of the case.

The Citizens will raise an appropriate objection to any party's attempt to have the Commission or any court consider matters outside the record in this case, at such time as any such attempt is made.
