Re: Primus Telecommunications, Inc. Tariff Revisions

Dear Ms. Bayo:

On behalf of Primus Telecommunications, Inc. ("Primus"), enclosed please find an original and two (2) copies of revisions to its Florida Tariff No. 1. These revisions are being filed bearing an issued date of April 27, 1998. Primus has made the following revisions:

- The Title Sheet and all revised pages reflect Primus' new address, 1700 Old Meadow Drive, 3rd Floor, McLean Virginia 22102;
- The Check Sheet has been amended to reflect the revisions being filed herewith;
- Sheet No. 7, Technical Terms and Abbreviations, the definition of On-Net Customers has been added;
- Sheet No. 26, Section 3.1 (Description of Services) has been amended to reflect that Primus' service offerings include intraLATA services, to the extent authorized. Section 3.2 (Calculation of Usage Rates) has been revised to reflect rounding of billing increments and cents;
- Sheet No. 27, Subsection 3.3.1 (Message Telecommunications Services), rate plan has been discontinued. Customers on this rate plan will continue on this plan, but it will not be available to new subscribers. Subsection 3.3.2 (Primus Prime Link), plan description and rates have been added and replaces Postpaid Travel Card Service which previously appeared under this subsection and now appears under Subsection 3.3.6;
- Sheet No. 28, Subsections 3.3.3 (Primus Business Link) and 3.3.4 (Planet Talk), plan descriptions and rates have been added. Subsection 3.3.3 previously reflected the Prepaid Debit Travel Card Service and Subsection 3.3.4 previously reflected Long Directory Service Assistance, both have now been moved;

SECTION 1. TECHNICAL TERMS AND ABBREVIATIONS (Cont'd)

Local Access and Transport Area (LATA) - The term "Local Access Transport Area" denotes a geographical area established by the U.S. District Court for the District of Columbia in Civil Action No. 82-0192, within which a local exchange company provides communications services.

Measured Charge - A charge assessed on a per minute basis in calculating a portion of the charges due for a completed interexchange call.

On-Net Customer - Refers to Customers within the following LATAs: 132, 236, 238, 240, 460, 723, 730, 726, and 732. (N)
(N)

Subscriber/Customer - The person or legal entity which enters into arrangements for Carrier's telecommunications services and is responsible for payment of Carrier's services.

Telecommunications - The transmission of voice communications or, subject to the transmission capabilities of the service, the transmission of data, facsimile, signaling, metering, or other similar communications.

Travel Card - A credit or debit calling card issued by Carrier which allows Subscribers and/or Users to make telephone calls and charge the calls to a credit or debit account. Calls charged to a Carrier-issued credit travel card will appear on the Subscriber's regular monthly bill. Calls charged to a Carrier-issued debit travel card will be charged against the debit account.

User - The person(s) utilizing Carrier's services.

SECTION 3. RATE SCHEDULE

3.1 Description of Services

Carrier provides interexchange and, where allowed, intraLATA toll telecommunications services, including switched and dedicated access long distance communications service. Calls are rated based on the duration of the call. (T)

3.2 Calculation of Usage Rates

Billing for calls placed over Carrier's network is based in part on the duration of the call. Billing is in six second, eighteen second or one minute increments, with a minimum call length of not less than six seconds. Timing begins when the called station is answered, as determined by standard industry methods generally in use for ascertaining answer, including hardware answer supervision in which the local telephone company sends a signal to the switch. A call is terminated when either party (called or calling) hangs up. Upon request of the Subscriber, credit will be provided for uncompleted calls/wrong numbers. Any fractional portion of a call is rounded up to the next highest billing increment. (N)
Fractions of a cent are rounded up to the next whole cent. (N)
