Tallahassee, Florida, 32399-0870.

Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor I have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. *The land we own is east of 75 and north of 484 so*
2. *I do not believe our land is within the proposed district*
- 3.
- 4.

ACK \_\_\_\_\_  
 AFA \_\_\_\_\_ For these reasons I object to the proposed certification amendment to increase the  
 APP \_\_\_\_\_ Marion Oaks water and wastewater service area.
