DOCKET NO. 970512-EU

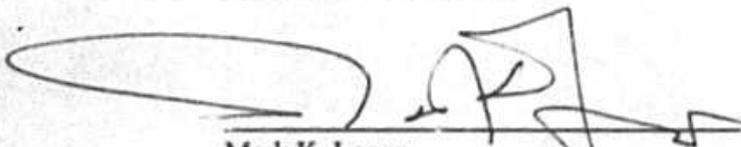

FILED: May 5, 1998

RESPONSE TO SUBMISSION OF GENERAL HIGHWAY MAP

Florida Power & Light Company, Inc. ("FP&L") files this response to the general highway map submitted by Clay Electric Cooperative, Inc. ("Clay") and states:

1. On March 6, 1998, pursuant to Commission Order PSC-98-0178-FOF-EU, FP&L filed with the Commission a general highway map depicting the territory awarded to FP&L pursuant to the Commission's resolution of the territorial dispute between FP&L and Clay.
2. On April 8, 1998, Clay filed a Disclaimer of Clay Electric Cooperative, Inc. to the Map Submission by Florida Power & Light Company with the Commission.
3. On April 27, 1998, Clay filed its own general highway map depicting the territorial boundary established by the Commission in Order PSC-98-0178-FOF-EU.
4. FP&L has reviewed both maps and has determined its original map submitted to the Commission on March 6, 1998, was inaccurate and Clay's map correctly depicts the boundary established by the Commission's Order. Accordingly, FP&L withdraws its map and concurs and supports in the filing of Clay's general highway map.

Respectfully submitted,
