Re: Application for new customer classification in tariff

Dear Ms. Blanca:

A customer has applied for service requesting a 1" meter. Our tariff does not have a rate for a meter of that size. We calculated a fair, just and equitable rate for this new class of customer by applying the accepted AWWA equivalent (2.5 times the 5/8" x 3/4" size) and have drafted the amended tariff Sheet No. 17.0 attached.

We request that you approve this addition as soon as possible since the customer has already hooked up.

Please note that this schedule is based on our new rates that will take effect June 1 under our price index adjustment. Service provided prior to that date will be less the indexing amount.

Sincerely,

COUNTY-WIDE UTILITY CO., INC.

Dirk J. Leeward
President
