RE: Local Competition Survey

Dear Mr. Wynns,

Please find attached to this letter Sprint Local Telephone Companies' (Sprint LTC) voluntary submission responding to the Local Competition Survey requested in the February 20, 1998 letter from A. Richard Metzger to Jay C. Keithley. Included herein is a diskette containing files for each of the states in which Sprint LTC operates as well as a redacted paper version for inclusion in a public file as instructed in Mr. Metzger's letter. Please note that the redacted version withholds confidential information where Sprint LTC provides services or facilities to only one or two carrier customers as well as withholding the names of the competitive local exchange carriers requested in section G of the survey. We also request confidential treatment of the data provided for Nevada since our service territory in this state is primarily concentrated in the city of Las Vegas.

If you have any questions concerning this submission, please call me.

Sincerely,

Pete Sywenki
