RE: DOCKET NO. 960617-TI - Initiation of show cause proceedings against MCI Telecommunications Corporation for violation of Rule 25-24.630, F.A.C.

Issue 1: Should the Commission accept MCI's suggestion that the unrefundable monies in the amount of \$189,482.49 be placed in a trust fund created by and administered by the Inmate Advocacy Groups?

Recommendation: No. Staff recommends the following:

- 1) MCI be required to provide prospective rate reductions of the surcharge on intrastate calls from the approximately 40 inmate facilities it currently serves.
- 2) MCI be required to file a report with the Commission within 30 days from issuance of the Commission order describing the reduction amount per call, the estimated number of intrastate calls it currently handles per month, and estimating the length of time it believes it will take to use the unrefundable amount of \$189,482.49.
- 3) MCI should be required to file a report with the Commission by the last working day of each month until all monies have been refunded, and provide the Commission with a final status report.
