Dear Ms. McCoy:

**RE: Waiver of Rule 25-24.515(8), F.A.C.**

On behalf of PhoneTel Technologies, Inc., enclosed please find the original and five copies of our request for waiver of Rule 25-24.515(8), F.A.C. that we ask you file in the above captioned manner.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

West Oaks Mall  
500 South Clark Mall  
Ocoee, FL 34761

\*\*See Appendix 1 (attached) with listing of 36 phones to be affected.

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public.

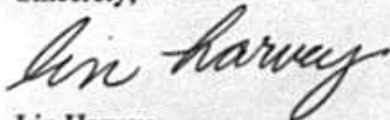

The police department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This

location does not fit within the delineated exceptions to the rule and therefore this request is appropriate.

The location provider for the location identified above has either joined in or agreed to this request for waiver. Kim Raymond, an associate from our National Accounts department has already sent you this documentation for the thirty-six (36) phones involved. Please advise by Order if our request for the waiver has been granted. If you require any further information, please contact me or my Assistant, Darrell Osborne.

Sincerely,

Lin Harvey

Notes

2/25/98 Please restrict these pay phone's to out going calls only. It is very important that these pay phone's do not receive any incoming calls. The location is having a very bad problem with illegal activity and these pay phone's.  
We need the restrictions to take place on March 1st.  
If you have any questions please call me at the number below.  
Thanks a lot  
Mike Henderson

**PLEASE NOTE:** Any request for semi-public pay phone installation (pay phones that will involve an expense) must be approved through Intera Communications Corporation prior to installation. Our client will not be responsible for any bills generated without prior consent. Also please send all commission checks to:
