FPSC-RECORDS/REPORTING

Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. I do not live in Marion Oaks - nor do I want to.
2. If I wanted to live in the city I would have moved.
3. We are agriculture land. let it stay that way.
4. government is interfering too much.

For these reasons I object to the proposed certification amendment to increase the Marion Oaks water and wastewater service area.

Very Truly Yours,

Madeline Davis
Carl Davis

My address is:

10790 S.W. 152nd Pl.
Fla. Highlands -

We are being forced to take a water service we do not want. Do we the people not have any rights anymore.

Their service is too expensive - Please keep them out.
