

NOTICE IS HEREBY GIVEN that the Staff of the Florida Public Service Commission will conduct a workshop regarding its investigation into extended calling services (ECS) and marketing restrictions on intraLATA toll presubscription at 9:30 A.M. on Wednesday, June 3, 1998, in Room 152, Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, FL. Any person who is unable to attend may participate via telephone by calling (850) 488-5776 or SUNCOM 278-5776. The purpose of this workshop is to address the Commission's concern regarding alleged customer confusion arising from the marketing restrictions imposed on incumbent local exchange carriers (ILECs) regarding intraLATA presubscription and the accompanying loss of any applicable ECS services once the customer elects a carrier other than the ILEC. All interested parties should mail or fax in their comments on the alleged problem/confusion and any competitively neutral proposals that might remedy the situation by Wednesday, May 27, 1998, to the attention of Jonathan Audu, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, or fax (850) 413-6597.
