NOTICE OF PROPOSED AGENCY ACTION

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed in this Order is preliminary
in nature and will become final unless a person whose interests are

ORDER NO. PSC-98-0715-FOF-TX
DOCKET NO. 980230-TX
PAGE 2

If this Order becomes final and effective, it shall serve as State Communications, Inc. d/b/a State Phone Company's certificate. It should, therefore, be retained by State Communications, Inc. d/b/a State Phone Company as proof of certification.

Alternative local exchange telecommunications providers (ALECs) are subject to Chapter 25-24, Florida Administrative Code, Part XV, Rules Governing Telecommunications Service Provided by Alternative Local Exchange Companies. ALECs are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

In addition, Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications service to provide access to 911 services. This Commission has no rules specifying the 911 services that either an incumbent local exchange company (ILEC) or an ALEC must provide; however, 911 service that is inferior to that provided by the ILEC would clearly not be in the public interest. Accordingly, we find that Section 364.337(2), Florida Statutes, requires ALECs which provide basic local telecommunications services to provide at least the same level of 911 services as that provided by the ILEC serving the same area.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby grant to State Communications, Inc. d/b/a State Phone Company alternative local exchange telecommunications service Certificate No. 5638 subject to the terms and conditions set forth in the body of this Order. It is further

ORDERED that this Order shall serve as State Communications, Inc. d/b/a State Phone Company's certificate and should be retained by State Communications, Inc. d/b/a State Phone Company as proof of certification. It is further

ORDERED that each alternative local exchange company which provides basic local telecommunications services shall provide at least the same level of 911 services as that provided by the incumbent local exchange company serving the same area. It is further
