To whom it may concern,

In response to your letter about putting a water & Sewer service running to the Florida Highlands, from Marion Oaks, I am 100% against it. First thing the letter states NEW CONSTRUCTION. I am not new construction. I am assuming that will exclude me from this service that is not needed on my land. I have lived at this address since 1981. Hopefully I won't hear any more about this matter!

Sincerely

George Lukas

Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. my well & septic work fine, I DO NOT WANT WATER & SEWER
2. I will not support others who want improvements like this!
3. my land is zoned agricultural so I can have farm animals
4. Florida Highlands is private owned 1 1/4 acres.

For these reasons I object to the proposed certification amendment to increase the Marion Oaks water and wastewater service area.

Very Truly Yours,

My address is: **George A. Puskas**
