Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. I have my own well
2. I get good water from my well.
3. I don't need any monthly bills from W.S.
4. Let W.S. put their hands out + get money from all the new people moving into the congested SR 200 area.

ACK _____ For these reasons I object to the proposed certification amendment to increase the
AFA _____ Marion Oaks water and wastewater service area.
