RE: DOCKET NO. 941102-EI - Petition for approval of proposed pilot/experimental Real Time Pricing Program and the associated rate schedule by Gulf Power Company.

Issue 1: Should the Commission grant Gulf's petition to allow Gulf's customers to continue to take service under the RTP rate schedule beyond December 31, 1998?

Recommendation: Yes. Staff recommends that Gulf be granted an extension of the program through May 31, 1999, for those customers who are on the rate as of December 31, 1998. Absent any action by Gulf to amend the RTP program or to make it permanent before May 31, 1999, staff recommends that the program terminate on that date.
