Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. I would RATHER spend the money on PAVED ROADS.
2. We have JUST spent money on Septic and Drain Field,
3. IF THIS GOES THROUGH we ARE AT the mercy of WS,
4. we Do NOT want this service!
