**Re: Cancellation of Certificate of Capital Network System, Inc.
Docket No. 900048-TI, Order No. 22959**

Dear Ms. Bayó:

Capital Network System, Inc. ("CNSI") respectfully requests the Florida Public Service Commission withdraw its tariffs and cancel its Certificate of Public Convenience and Necessity No. 2470 which was originally granted on May 21, 1990 in Docket No. 900048-TI, Order No. 22959.

CNSI has no customers and provides no intrastate telecommunications services in Florida. Therefore, no one will be adversely affected by the canceling of CNSI's tariff and certificate.

It is our understanding that no application is required to discontinue service. Therefore, if, within thirty (30) days we do not hear from you to the contrary, we will assume the certificate and tariffs of CNSI have been withdrawn and cancelled. Should you have any questions or require additional information, please contact Vicki Coons at 407/246-6463.

To confirm the Commission's receipt of this request, please date-stamp the enclosed copy of this letter and return it in the pre-addressed, stamped envelope provided for that purpose.

Very truly yours,

Guy A. Longobardo
Secretary
