Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility and yet they are attempting to certificate my land. Futhermore, the Marion Oaks system has much higher user rates than other utilities in the County.

My reasons for not wanting to be included in this proposed certification include:

1. I have no need of such "services".
2. I see no reason why such a thing should be possible for them to do when I am a private land-owner with no connection to them whatsoever.

ACK _____ For these reasons I object to the proposed certification amendment to increase the
 AFA _____ Marion Oaks water and wastewater service area.
