Dear Ms. Bayo:

RE: Docket No. 980483-WJ
Order No. PSC-98-0796-POF-WJ
Issued: June 8, 1998

We would like to protest the above order. Please let this serve as our petition to file a protest in the above order and we ask for a formal hearing on this matter under Florida Statutes 120.57.

We protest the Order No. 980483-WJ and do not agree with the Florida Public Service Commission's order that Lake Utility Services, Inc. record all AFPI's collected beyond 106 ERC's be recorded as CIAC's.

We agree with staff's finding that the utility's tariff for AFPI was approved only for 106 ERCs. Pursuant to Section 367.091(3), Florida Statutes provides that a utility may only impose and collect those rates and charges approved by the Commission for the particular class of service involved and a change in any rate schedule may not be made without Commission approval. The collection of the AFPI charge for the 107th ERC and above is not consistent with the Commission approved tariff and the statute. Therefore, we agree with staff's belief that the utility should refund the AFPI collected beyond the 106th ERC. We are only two parties of the many that were charged incorrectly for the AFPI and we ask for a refund of the AFPI charge.
