RE: Docket No. 971157-WS, Application for amendment of Certificates Nos. 378-S and 447-W to add territory in Marion County, and request for new class of service by Decca Utilities, a Division of Decca

By Order No. PSC-98-0475-FOF-WS, issued April 1, 1998, the Commission approved: (1) the utility's request to amend its certificates to include additional service territory, (2) a bulk water and wastewater service agreement between the utility and Marion County, and (3) new classes of service for bulk water, bulk wastewater, and reclaimed water service. The Order required that the utility modify the bulk service agreement to include a provision for ninety days notice of discontinuance of service in accordance with Section 367.123, Florida Statutes. On April 21, 1998, the utility and Marion County amended the bulk service agreement as specified by the Order. On June 22, 1998, the utility submitted a copy of that amendment.

The Order specifies that the docket may be closed upon staff's verification that the utility has submitted a copy of the modified agreement. Staff has reviewed the amendment submitted by the utility and determined that it meets the requirements set forth in Order No. PSC-98-0475-FOF-WS. Therefore, the docket may be closed.
