of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public.

The Sheriff's Office requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. These locations do not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Sandra A. Khazraee
