RE: Docket No. 980269-PU - Consideration of change in frequency and timing of hearings for fuel and purchased power cost recovery clause, capacity cost recovery clause, generating performance incentive factor, energy conservation cost recovery clause, purchased gas adjustment (PGA) true-up, and environmental cost recovery clause.

RVE

On May 19, 1998, the Commission issued Order No. PSC-98-0691-FOF-PU in the above-referenced docket. The order reflects a minor error made in staff's recommendation. We intend to file a recommendation that the Commission modify its order to correct that error. Therefore, we request that Docket No. 980269-PU be reopened to allow the Commission to resolve this matter.
