RE: Request to Defer Item # 17 from the June 30, 1998 Agenda Conference

Item # 17 for the June 30, 1998 Agenda Conference is Docket No. 980699-TI - Consideration of AT&T Communications of the Southern States, Inc., and d/b/a Connect 'N' Save's tariff filing that introduces a Universal Connectivity Charge (UCC) for residential customers. On June 22, 1998, AT&T notified the Division of Communications, by letter, that it is withdrawing this tariff. Although the tariff has been in effect since May 28, 1998, billing of the intrastate UCC was not scheduled to begin until July 1, 1998.

Staff requests that this item be deferred from the June 30, 1998 Agenda Conference. Staff will withdraw the recommendation and close the docket administratively.
